

January/February 2018 Newsletter **President's Message**

I am hopeful our members and partners of the Northeast Wisconsin Chapter of FEI enjoyed the recent Holiday season. Our exciting and much anticipated January chapter meeting was held on Tuesday January 23rd. Our keynote speaker was Mr. Tim Bergstrom, President and Chief Operating Officer of Bergstrom Automotive Group. His topic of focus was delivering outstanding guest services. We were also excited to offer a timely topic of tax reform, presented by Mr. Mel Schwarz, Retired Partner, of Grant Thornton. Mr. Jeff Jorge, Principal Leader from Baker Tilly also spoke on the topic of thriving in uncertain times focusing on strategies for international Growth under U.S. trade policy.

An important announcement: a membership satisfaction survey was distributed via email to all members on Wednesday, January 17th. With all sincerity, the survey is being carefully reviewed and assessed to continue to respond in providing value to our FEI members. Please complete the important information as we will strive as an organization in meeting the needs of our membership. Lastly, I would like to acknowledge Valuation Research Corporation (VRC) as our new Strategic Partner. Please visit their website at: valuationresearch.com

In conclusion, I would like to wish all our members a prosperous 2018, continued positive growth for your organization and gratitude for your membership to FEI.

Sincerely,

Larry Barton
2017-2018 Chapter President
