## July/August 2017 Newsletter 2017 Golf Outing & Social Highlights

Our annual golf outing was held at Butte des Morts Country Club on June 19<sup>th</sup>. There were 60 golfers and 7 additional members and strategic partners joined us for the social. During the course of the day, we had a brief weather interruption, and then the weather held off until the last golfer came in off the course, and just as they walked in, the rain came pouring down. This burst of showers and lightening delayed the clubhouse from retrieving the course event cards. Thankfully we had lots of food, networking and door prizes to pass the time. This year's early bird registration prize was awarded to FEI Member, Eric Hansen. Thanks to Schenck for donating the Clay Matthews Packer Print! Also, this year we held a 50/50 raffle and the lucky winner went home with \$244! The other half of the raffle was donated to the Children's Hospital, and FEI Treasurer, Jayme DeBraul handled the processing and distribution of the check.

All in all the event was a huge success! The committee would like to thank the participants for their patience through the weather challenges, the strategic partners for the wonderful array of door prizes, and also the staff at Butte des Morts for working with us to make this a successful event. We would love to see this event continue to grow in numbers, so mark your calendars for next year's outing which is scheduled for **Monday, June 18, 2018**.

We have received the feedback from those that participated in the event and we will do our best to incorporate suggested changes to make next year's event even more successful and fun. If you want to get involved in the planning for next year's event, please be sure to let Michelle Weiss know and she will inform the committee. Thanks for joining us and we look forward to next year!
