

May/June 2018 Newsletter President's Message

We have concluded a great year of program offerings and intend to improve with our chapter meetings for next year. Very sincere thanks to those who took the time to complete the chapter satisfaction survey. We take seriously all the suggestions and comments toward adding value to our FEI members.

I would like to acknowledge chapter member and Assistant Professor from Marian University, Mr. Scott Dell. Professor Dell was presented the WICPA 2018 Accounting Educator Award held recently at the Hilton Milwaukee City Center. Mr. Dell is the Accounting Program Director for Marian University along with devoting time as a member of the FEI-Northeast Wisconsin Chapter Board of Directors. Congratulations to Mr. Scott Dell for your award and contributions.

A friendly reminder, registration is open for our annual Northeastern Wisconsin Chapter [FEI Golf Outing and Social](#). The date of the event is Monday June 18th and rapidly approaching. We hope to see you at this event. Lastly, I would like to acknowledge incoming President, Mr. Jim Rubright who will be leading our chapter in the upcoming fiscal year. We welcome the new leadership and appreciate the willingness of all our FEI Chapter Board Members' volunteer efforts and expertise. I sincerely hope all have a great summer for you and your families.

Sincerely,

Larry Barton
