

## **Senior Corporate Accountant -**

**Job Number: 172353 - Full-time**

### **Shift**

1st Shift

Schneider has an immediate need for an experienced Senior Corporate Accountant to join our organization. This is an experienced Accounting position providing analysis and reporting on a broad spectrum of accounting and business topics. The Senior Corporate Accountant has a pivotal role in enterprise financial reporting, the month end close process, and supporting a strong internal control environment. This associate will provide solid technical accounting, reporting, and internal control knowledge and will be relied upon to keep processes moving forward with minimal guidance. Strong interpersonal skills, attention to detail and ability to meet deadlines are integral to this role. Apply online today so we can drive your career to limitless opportunities and position you for interesting challenges.

### **By choosing a career with Schneider, we improve your life by offering:**

- Annual profit sharing bonuses available
- Strong work/life balance that includes paid holidays and generous personal time off
- Medical, dental and vision insurance plus company-paid life insurance
- 401(k) savings plan with company match plus a company-paid retirement plan
- Tuition reimbursement and free financial service assistance
- Health Care Spending Account
- On-site services at some facilities including cafeteria, gym and fitness classes, walking/jogging trail, ATM, personal mail services, company store and much more
- Resilient, values-based culture that drives safety, integrity in every action, respect and excellence in all we do
- Individual development opportunities through company-paid training, active leadership involvement and more than 170 online personal development courses

### **Our preferred candidate will have:**

1. Bachelor's degree in Accounting required.
2. Three or more years of practical work experience in Accounting and/or Auditing required
3. CPA required. Public accounting experience preferred. Public company experience a plus
4. Experience in a multi-divisional corporation with large ERP systems (Oracle, SAP) a plus
5. Accuracy and attention to detail with the ability to recognize problems and recommend solutions
6. Ability to work independently with a high level of initiative, self-motivation and confidence
7. Strong interpersonal skills (written and oral communication, teamwork, diplomacy)
8. Ability to work cordially with others; influencing for effective / positive outcomes
9. Professional maturity with discretion in holding sensitive information in strictest confidence
10. Demonstrated stress tolerance to work in a fast paced work environment with definitive timelines
11. Proficiency in Microsoft Office Suite products
