## May/June 2016 Newsletter

### President's Message

It's hard to believe we are nearing another FEI Corporate Year End, which runs from July 1 through June 30. We ended the year with great programs for the March and April Meetings. The PD sessions and main speakers were top notch. We thank you for your attendance at those meetings and for the positive survey meeting notes that were communicated to us. We again thank Associated Bank and Associated Financial Group for the invitations to their Leaders Forum, which was hosted at the KI Convention Center in Green Bay. I received a lot of positive feedback from that conference as well.

Currently, we are busy planning PD sessions and lining up main speakers for the beginning of our FY16-17 program year in September. I want to thank our Chapter for the opportunity to serve as President this past year. It was a very fulfilling experience. This July, we will have a new Board of Directors in place and the Chapter will be in great hands with Bob Qualls leading as President. I personally want to thank the following Board Members whose terms will be ending for their service to our great NEW FEI Chapter: William Lepley, Barb Ristau and Martha VandeLeest.

We had a great contingent at the FEI National Summit in Colorado Springs. The conference and featured speakers were awesome and it is always great to see members from other FEI chapters around the United States to discuss best practices and what's working and what's not working within their chapters.

I would like to wish all of you a very safe and fun summer and we will see you in September!!!

**Doug Stecker**  
**2015 - 2016 Chapter President**
