The 15 Commitments of Conscious Leadership **Authors: Jim Dethmer, Diana Chapman, & Kaley Klemp**

You'll never see leadership the same way again after reading this book. These fifteen commitments are a distillation of decades of work with CEOs and other leaders. They are radical or provocative for many. They have been game changers for us and for our clients. We trust that they will be for you too. Our experience is that unconscious leadership is not sustainable. It won't work for you, your team or your organization in the long term.

Most of us are far more interested in being right and proving it, than we are in learning, growing and shifting out of our old patterns. By default we gravitate towards the familiar. We're asking you to take a chance and explore the unfamiliar. You'll get scared and reactive. We all do. So what? Just stay curious and let us introduce you to a whole new world of leadership.

By understanding how social influence works, we can decide when to resist and when to embrace it – and learn how we can use this knowledge to exercise more control over our own behavior. In *Invisible Influence*, Jonah Berger “is consistently entertaining, applying science to real life in surprising ways and explaining research through narrative.

What is the FEI Diversity Group?

FEI National continues to encourage local chapters to focus on diversity within our membership. Women executives face a unique set of challenges in balancing their careers and personal lives. This special interest group is focused on exploiting the talents of individuals and creating opportunities to improve personally and professionally. As a result, we hope to increase membership in our chapter and create additional ways for our female members to be engaged in the FEI experience.

Diversity Group events are open to the following individuals:

- Members of FEI NE Wisconsin Chapter
- Managers and executives within an FEI Member's Company
- Representatives of our strategic partner companies
- Prospective chapter members
- Guests of any of the above
- **While some event topics are geared toward women, men are welcome and encouraged to attend and participate**
