

September/October 2018 Newsletter **President's Message**

Fall has arrived and we have one chapter meeting under our belt. Our meeting schedules are firming up nicely and we have a great slate of professional development and keynote speakers planned.

A reminder that our October chapter meeting will be at Acuity Insurance in Sheboygan on Wednesday, 10/17. It should be a great session with several of the Acuity leaders participating in the keynote address. If you haven't already, I encourage you to look into Acuity's story. They have a great track record of being recognized as a great place to work. Please don't forget to register and feel free to invite your CEO, HR professionals, or other executives to join you.

Our chapter meetings are definitely the main events of our fiscal year, but please don't forget other opportunities to be engaged with FEI. Please visit the chapter website for a current listing of upcoming events, member directory, strategic partner directory and other content: feinew.org

The FEI Website is also a great resource that includes a lists of national events, research content, the online discussion forum FEIconnect, and much more. <https://www.financialexecutives.org/>

I look forward to seeing you at the October meeting.
