

## July/August 2020 Membership Update

The second half of fiscal year 2019-2020 was a challenging one for the chapter and FEI as a whole due to the impact of COVID-19. The fiscal year ended on June 30, 2020, and the chapter had a total of 256 members. Throughout the year, 42 new members were recruited, plus an additional 3 reinstatements. These efforts were offset by 40 terminations. The vast majority of chapters were faced with similar challenges and ended the fiscal year with little to no growth. However, our chapter was ranked as the 7<sup>th</sup> largest out of 67 chapters in the country.

There are no 2019-2020 membership net growth or outstanding chapter awards to report on to date. Due to ongoing concerns with COVID, the 2020 Financial Leadership Summit has been postponed until October 2020. The event will now be held 100% virtually over the course of the following dates: 10/6, 10/8, 10/13, 10/15, 10/20 and 10/22. More information will follow from FEI National in the coming weeks, which will be posted on the upcoming events section of the chapter's homepage.

As we begin a new fiscal year, please continue to contact colleagues you think would benefit from an FEI membership. There is no cost for them to attend a chapter event as a guest. I welcome your questions and look forward to working together this fiscal year as we embark upon a new journey into virtual offerings and member experiences amidst COVID.
