Event Cancellation and Postponement

- We are looking into ways to remotely host the Women's Leadership Coaching Webinar on August 25th. Please stay tuned for more information soon.
- The August 2020 Women's Leadership Coaching Webinar will be our last webinar with that series. Jo Miller has decided to stop her popular webinar series after 11 years. We'll be looking for new activities and sessions for the Diversity and Inclusion Group as we start the Fall 2020 program schedule. Please send any ideas or suggestions to Jill Bean (jill.bean@foth.com). A survey will also be sent to members over the next month looking for input and new ideas.
- As a reminder, the September 2020 FUSION event, featuring Carey Lohrenz, has been postponed. The 2021 FUSION event date is TBD but the plan is to hold the event in late September. Just a reminder about Carey Lohrenz: She is a Wisconsin native who was the U.S. Navy's first female Tomcat fighter pilot. Carey is also a Wall Street Journal best-selling author of "Fearless Leadership", where she shares her advice for current leaders, those moving into their first leadership role, or those who want to move out of a rut in their professional life. Carey is a highly sought-after speaker and has been listed on a number of "best female motivational speaker" lists. We will share event information as soon as it is available.

25 Songs for Your Leadership Playlist Jo Miller | CEO | Be Leaderly

What are your all-time favorite leadership songs — the ones that make you feel fired up, unstoppable, and ready to run the world? When it came to running creating a playlist of leadership songs for my [workshops](#) and the other corporate and professional women's events, I brainstormed with the Be Leaderly team. The songs needed to be energizing, uplifting, and inclusive. We vetted the lyrics for naughty words and phrases (Sorry, Beyoncé.) And since then, people have been asking us to share the playlist. It even occasionally doubles as my running playlist.
