

May/June 2021 Membership Update

We'd like to extend our special thanks to the members listed in the right-hand column. They helped recruit and welcome 9 members this fiscal year (which ends on June 30, 2021). Our goal set at the beginning of the fiscal year was 240 members, and our current count is 221. Understandably, the pandemic affected our organization and we anticipated we'd lose some members due to budget cuts, and concerns over attending in-person events.

Overall, we're very proud of the achievements our chapter made during the pandemic. We're pleased to have offered additional events to include virtual and livestream offerings, while also continuing our monthly in-person chapter meetings. Most importantly, we'd like to thank our members and strategic partners for their continued support and patience as we navigated through the past 12+ months together.

Once again, we're looking forward to a new fiscal year and have already begun planning an excellent lineup of speakers, events and additional chapter offerings in 2021-2022.
