

November/December 2021 Membership Update

Although the end of calendar year 2021 is approaching, we've already held 15 chapter events to date! In addition, there are still 15+ chapter events planned in 2022 before the fiscal year end on June 30th. As previously communicated, the board of directors is committed to offering members more opportunities to connect, both virtual and in person, during fiscal year 2021-2022. Thus far, we've added two new members to the chapter: Bill Kocha and Liz Kallies. We'd like to extend a special note of thanks to members Nancy Schmidt and Ken Larsen respectively for their recruiting efforts.

Membership retention & recruitment have been challenging over the past 18+ months as we lost 20% of our total members amidst the pandemic. If you're aware of a colleague that would benefit from FEI, like you have, please invite him/her/them to a future virtual or in-person event and contact me with any membership related questions. Your referrals and recommendations are valued beyond measure.

As we look forward to 2022, we're excited to host a member appreciation event in January in lieu of a formal chapter meeting. This networking and social event will be open to all members, their guests, prospective members, and sponsors. It's our way of showing gratitude to our existing members and will provide an opportunity after the holidays to gather over food and libations as a chapter. For those concerned about missing another great keynote speaker or CPE credits, we've added another chapter meeting in May 2022 (5/12/22). As a result, there will still be seven opportunities to gather, hear an inspirational speaker and earn CPE credit. Stay tuned for the formal announcement and more details in December.

I'd like to personally thank all our dedicated members and sponsors for their commitment to this amazing organization. My holiday wishes for you and your family are, as always, continued health, happiness, and prosperity. Cheers to a fantastic new year in 2022!
