Ahern, one of the leading mechanical and fire protection contractors in the United States, has an exciting opportunity for an Assistant Controller in our Fond du Lac headquarters. Building a first class reputation in the industry since 1880 did not happen by chance. It has developed over time through our commitment to conducting business ethically and by providing continuous learning, improvement and development opportunities for its number one asset, employees. You owe it to yourself to find out what Ahern has to offer!

How you will contribute:

Maximize your financial management experience by assisting the Controller with general accounting, payroll, internal auditing, cost accounting, inventory, fixed assets, benefit plan audits and month end close activities. You will manage a team of four - including three Payroll Specialists and an Accountant. Responsibilities also include managing accounting processes and financial statement preparation, and acting as a business partner in an advisory role to district level managers.

What you need to qualify:

Ahern will help make the most of your Bachelor's degree in Accounting, Finance or related field or equivalent combination of education and experience. This position requires five years of accounting or finance experience. Supervisory experience is required - three years is preferred. Ideal candidate will have a CPA, Master's Degree or desire to earn one of those. Solid knowledge of GAAP required. Ability to manage effectively within a tight month-end closing process will be critical. Candidates must be proficient in Microsoft Excel and ability to work with file uploads and imports. If you are ready to bring your strong initiative, positive energy and expertise, Ahern wants you!

What's in it for you?

Working for the 15th largest mechanical contractor in the United States comes with many perks. The Company has a commitment to excellence that extends beyond our outstanding customer satisfaction ratings and numerous safety awards. The Company extends this commitment by passing a significant amount of profits back to employees through bonus programs, and generous 401K match. Ahern has a health benefits package that ranks in the top 25% of all plans nationally. Ahern also has a wellness program that was designed to keep employees and their families happy and healthy. Significant investment in employee training programs, advancement opportunities, educational assistance, and flexible work schedules have helped Ahern stand out above others in the industry. Experience for yourself why Ahern has been voted the Best Place to Work!

Ahern is an Affirmative Action / Equal Opportunity Employer and encourages veterans, women, minorities, and disabled individuals to apply.

Last year, 100% of client survey responders reported they would work with us again.
