

**Nsight, parent company of Cellcom, Nsight Telservices, and Nsight Tower wants YOU to join our team!**

Our family of companies provides complete telecommunications services, including wireless and fiber-based services to residential and business customers, along with tower erection and maintenance services in Wisconsin and Michigan's Upper Peninsula. Our commitment to customer service, local philanthropic efforts and green initiatives make us an employer of choice in the state of Wisconsin. We're looking for individuals who are driven, enthusiastic and care about our community. More importantly, we like to hire people looking to grow with an organization and those who are excited about the ever-changing telecommunications industry.

*The **Fixed Assets Accountant** will maintain, update, identify and track the fixed assets of all Nsight subsidiaries and managed properties. Work with engineering to monitor capital projects and report on variances from budget. Complete property tax returns for all entities in a manner that benefits Nsight by reducing our tax burden.*

**Responsibilities & Duties:**

1. Work closely with engineering dept. to be informed about purchasing decisions, project status, cost tracking, and transfers of assets between projects and entities.
2. Compare the completed cost of capital projects to budget and report on any variances
3. Maintain and input real time fixed asset records for additions, disposals and CIP job sheets. Maintain accurate records relating to monthly depreciation of expenses; gain/loss on disposals, tracking of assets purchased, and jobs in process. Reviews fixed assets for valuation issues.
4. Update fixed asset records for current assets of all Nsight entities and managed partnerships for financial reporting, income tax reporting, property tax reporting, insurance needs and asset safeguarding purposes.
5. Prepare annual personal and real property tax returns for all Nsight Telservices entities to be filed in multiple states.
6. Understand and apply sales and use tax issues and licensing issues on fixed asset purchases and leases for multiple states.
7. Manage and administrate capital leases, insurance claims, and certificates of insurance.
8. Performs additional duties as requested or required.

**Requirements:**

- Bachelor Degree with emphasis in Finance or Accounting, or equivalent practical experience.
- Minimum one year experience, telecommunications experience preferred.
