Position Description

Job Summary

Perform accounting functions of Neenah Foundry that are related to both general and cost accounting activities. Assist management and other departments by providing, analyzing and interpreting financial and cost data, especially related to production and inventory activities.

Essential Functions

Job duties may change over time and additional job functions may become essential. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Prepare monthly journal entries for closing and monthly budget reports.
- Responsible for maintenance of the standard cost system and inventory valuations.
- Assist in the preparation of annual overhead rates, operational budgets and inventory projections.
- Assist with quotations for new products or process improvements supporting the business.
- Prepare and monitor manufacturing production efficiencies as well as spending performances.
- Assist with external audits, financial statement information and tax return information.
- Partner with operations to develop and track key performance metrics
- Perform variance analysis and other financial analyses as requested by management, manufacturing or other departments.
- Perform other projects and tasks as assigned by manager.

Expected Areas of Competence (KSAs)

- Strong math skills.
- Ability to operate a PC, calculator and other miscellaneous office equipment.
- Strong attention to accuracy and detail.
- Good interpersonal communication and strong analytical thinking and problem resolution skills.
- Must have strong Microsoft Excel and Word ability.
- Strong customer service skills.
- Knowledge of accounting fundamentals, general accounting and economic principles.

This position description is intended to cover the most significant, ongoing job functions and competency areas. Successful performance in the role will require performing satisfactorily other duties as assigned.

Education and Experience Requirements

- At least 2-5 years' experience in cost accounting and cost analysis, preferably in a heavy manufacturing environment
- Must have a Bachelors degree in accounting.
- CPA and/or CMA desirable, but not required.

Physical Requirements

Sedentary work. Exerting up to 10 pounds of force occasionally and/or negligible amount of force frequently or constantly to lift, carry, push, pull or otherwise move objects, including the human body.

The worker must be able to access, analyze and otherwise work with, enter information stored in or obtained through the company's computer system, and to communicate effectively with co-workers and third parties

who have business dealings with the Company's Finance operations.

Travel Requirements

- Up to 10% domestic travel may be required

Candidates for positions with NEI, Neenah Foundry Company and its subsidiaries must be legally authorized to work in the United States. Verification of employment eligibility will be required at the time of hire. All offers of employment will be conditioned upon successful completion of a post-offer, pre-hire background check and drug screen. Visa sponsorship is not available for this position.

NEI, including Neenah Foundry Company and its subsidiaries, is an Equal Opportunity Employer committed to a culturally diverse workforce.
